This 2023 Audi A1 TFSI Technik is a compact hatchback that combines modern engineering with practical design. Powered by a 1.0 litre petrol engine, this vehicle meets Euro 6 emission standards, making it a suitable choice for those mindful of their environmental impact. With a recorded mileage of 18,602 miles, this car has been driven sparingly for its age, offering a reliable option for your next vehicle. The Technik trim level includes several features designed to improve the driving experience, such as manual air conditioning and a Bluetooth interface for seamless connectivity. Visibility is enhanced by light and rain sensors that automatically activate the headlights, which are LED units featuring dynamic rear indicators for added clarity. Beyond its technology, the vehicle is designed with a large boot space, providing practical storage capacity that is often appreciated in this class of car. Its low CO2 emissions further distinguish it as an efficient choice for daily travel. Feel free to call if you have any questions or would like to book in for a test drive!
