This 2023 Suzuki S-Cross Ultra offers a practical and reliable driving experience, having been maintained by only one owner from new. With a modest 20,819 miles on the clock, this vehicle is in excellent condition for its age. It is powered by a 1.4 litre petrol hybrid engine, which meets Euro 6 emission standards, and benefits from a capable four wheel drive system designed to provide stability in various driving conditions. The Ultra trim level is well equipped with features designed to enhance comfort and safety on every journey. Drivers and passengers can enjoy the convenience of heated front seats and dual zone automatic air conditioning, which allows for personalised climate control. Technology is integrated seamlessly through the smartphone link audio system, supporting both Apple CarPlay and Android Auto for easy connectivity. Safety is further supported by the inclusion of a blind spot monitor, while visibility is improved by bright LED headlamps for both low and high beam settings.
